DSL

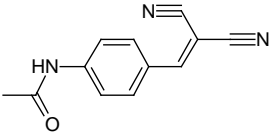

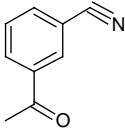

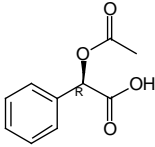

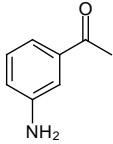

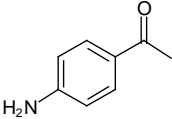

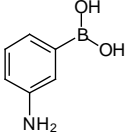

DSL Chemicals Co.,Ltd - Catalog

Important Notice:

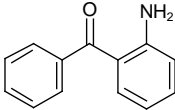

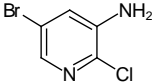

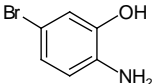

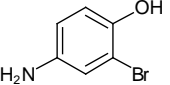

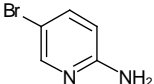

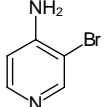

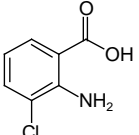

1. DSL Chemicals could not guarantee each one of the listed products is available.
2. DSL Chemicals makes no representations and extends no warranty of any kind, either expressed or implied, including any warranty of merchant ability and other proprietary right. Buyer will bear all risk to it, their employees and agents, and any other persons resulting from any use, storage or disposal, directly or indirectly, to which Buyer puts the Material, and recipient will indemnify DSL Chemicals and hold DSL Chemicals harmless from any claims or liabilities that arise as a result of Buyer's use, storage or disposal of the material.
3. Some products listed are protected by valid Patents, they are not offered for sales in countries where the sales of such products constitutes Patents infringement and the liability for Patents infringement is exclusive at buyers risk.
